08:00-12:00 *Break at 10:00-10:30		Course 01: ICD 11: Achievements and further work Course Directors: Mario Maj, Italy and Geoffrey Reed, Mexico	Course 02: How to write a scientific paper and get it published Course Director: Joan Marsh, UK	Course 03: CBT and its applications Course Director: Roger Ng, Hong Kong, China	Course 04: Psychopharmacotherapy in pregnancy Course Director: Anita Riecher-Rössler, Switzerland	Course 05: Prevention of suicide Course Director: Vladimir Carli, Sweden	Course 06: Neuromodulation treatment Course Director: Albino Jorge Oliveira-Maia, Portugal	Course 07: Strategies for the management of psychoses Course Director: Joaquim Gago	Course 08: Neuroimaging Course Director: Sofia Pereira Coutinho Reimão, Portugal	Course 09: How to write a scientific paper and get it published Course Director: Rajiv Tandon, USA	Course 10: Depression of the elderly Course Director: Gabriella Stoppe, Switzerland
12:30-13:20	Welcome Session										
	Master of Ceremonies: Andrea Pound, Australia										
	Greetings Helen Herrman, WPA President										
	Welcome greetings Pedro Varandas - President of the LOC										
	Greetings Representative of the Government and of the City of Lisbon										
	Overview of the Scientific Program Norman Sartorius, Scientific Committee Chair										
13:20-14:30	Plenary Session 01: Keynote addresses										
	Chairs: Norman Sartorius, Switzerland; Afzal Javed, UK; Maria Luisa Figueira, Portugal										
	WPA 2019: Linking local action with global networks Helen Herrman, Australia										
	Implications for mental health globally of time to deliver: mental disorders and the non-communicable diseases Sania Nishtar, Pakistan										
14:30-14:40	Short Break to Change Halls										
14:40-16:10	Plenary Session 02: Improving mental health globally through its promotion and the prevention and treatment of mental illness										
	Chairs: Helen Herrman, Australia; Devora Kestel, Switzerland										
	Improving mental health globally through its promotion and the prevention and treatment of mental illness Norman Sartorius, Switzerland										
	Discussants: Vikram Patel, India; Lukole Atwoli, Kenya; Pamela Y. Collins, USA										
16:10-16:40	Coffee Break (in Foyer on Level 1)										
16:40-18:10	Presidential Symposium 01: Applications of the law in forensic and general psychiatry	Collaborative Interorganizational Symposium 01: Mental health promotion in urban settings <i>Organized in collaboration with the CitiesRise Program</i>	Scientific Session: European initiatives to combat mental illness stigma and discrimination: Learnings from different experiences	Scientific Session: A blueprint for protecting physical health in mental illness: The launch of The Lancet Psychiatry Commission	Scientific Session: Behavioural addiction: A research and clinical update	State of the Art Symposium 01: Dealing with an overdose crisis	Scientific Session: International perspectives on psychotherapy education-WPA intersectional symposium	Scientific Session: Bridging the gap between psychoanalysis and neuroscience	Scientific Session: Immune alterations across stages of schizophrenia - from the first episode to chronicity?	Scientific Session: Crisis! International perspectives on increasing access to psychiatric care	Scientific Session: Intergenerational psychiatry: New developments
	Chair: Robert van Voren, Lithuania	Chairs: Helen Herrman, Australia and Moitreyee Sinha, USA				Chair: Richard Rosenthal, USA					
	Physician assisted death Donna Stewart, Canada	Ramachandran Padmavati, India				The biggest public health crisis since the HIV epidemic – a serious reflection! Richard Rosenthal, USA					
	Michael Liebrecht, Switzerland	Building equity into mental health services in Africa: Health workforce empowerment versus task-shifting Lukoye Atwoli, Kenya				Innovation as part of the response, a web-based risk assessment and management platform to prevent overdose fatalities Mohammadali Nikoo, Canada					
	Mentally ill offenders in China Xiaoping Wang, China	Speaker: Rodrigo Nel Cordoba Rojas, Colombia				From the open drug scene to accessible quality substitution treatment in Switzerland, a model for the rest of us? Marc Vogel, Switzerland					
						WHO-UNODC Stop-Overdose-Safely (S-O-S) Initiative Dzmitry Krupchanka, Czech Republic					
18:10-18:20	Short Break to Change Halls										
18:20-19:20	Panel 01: The future of publications in psychiatry	Scientific Session: From populations to genetics, biology and treatment: insights into	Scientific Session: Lithium and neuroprotection: Evidence and perspectives for the treatment and	Scientific Session: Approaches to refractory OCD across the lifespan	Films Session	Scientific Session: Novel mechanisms of brain plasticity for personalized interventions	Scientific Session: Staging in bipolar disorders: New concepts for psychotherapy	Free Communications Session: Suicidal behavior	Scientific Session: Abnormalities of prefrontal cortex during development	Free Communications Session: Comorbidity of mental and physical illness	Scientific Session: Long-term consequences of trauma

	<p>Chair: Michel Botbol, France</p> <p>Panelists: Jair Mari, Brazil; Christopher Szabo, South Africa; Florence Thibaut, France; Joan Marsh, UK; Lynn DeLisi, USA</p>	schizophrenia and mood disorders	prevention of dementia		<p>Chairs: Roger Ng, Hong Kong, China; Hans-Otto Thomashoff, Austria</p> <p>The unusual bath of Mister Otmar Niko Radas, Croatia</p> <p>Mental illness and treatment in ancient societies Anish Dube, USA</p>	in neuropsychiatric disorders			relevant to schizophrenia and autism		
19:20-20:00	Welcome Reception (in Exhibition Area)										

Thursday, 22 August, 2019												
Time	Auditorium I	Auditorium II	Auditorium III + IV	Auditorium VI	Auditorium VII	Auditorium VIII	Pavilion 5A + B	Pavilion 5C	Pavilion 3A	Pavilion 3B	Pavilion 3C	ECP Lounge
08:00-09:30	Presidential Symposium 2: Comorbidity of mental and physical disorders Chair: Miguel R. Jorge, Brazil; Devora Kestel, Switzerland TBA Vikram Patel, India The double burden of diabetes and mental illness Richard I.G. Holt, UK The importance of doctor-patient relationship in the context of comorbid disorders Miguel R. Jorge, Brazil	Scientific Session: Divergence and importance of the comorbidity of somatic and psychiatric illness	Scientific Session: New findings in the assessment and neurobiology of pediatric bipolar spectrum disorder	Scientific Session: Recent developments in occupational psychiatry: Good news for healthcare workers	Scientific Session: Precision medicine for schizophrenia with clinomics and biomarkers	Scientific Session: Scientific Session: Psychosis research in developing countries through the lenses of female scientists	Scientific Session: Forced displacement in Europe and the world: A mental health	Special Lecture Session 01 Science and Service: can they help one another? Ian Hickie, Australia Global Mental Health Peer Network Charlene Sunkel, South Africa and Jakub Bill, Poland	Scientific Session: Updates in treatment resistant schizophrenia	Scientific Session: Inflammation and oxidative stress have key roles in the neurobiology of major psychiatric disorders	Scientific Session: Mental health policy in the Eastern Europe countries: Current questions and their solutions	Scientific Session: Brain drain 5 years ago
09:30-09:40	Short Break to Change Halls											
09:40-11:10	Plenary Session 3: Quality of care for mentally ill people of all ages Chairs: Afzal Javed, UK; José Miguel Caldas de Almeida, Portugal The mentally ill - ethics and care Joao Marques-Teixeira, Portugal Discussants: Paul Summergrad, USA; Lamia Jouini, Tunisia; Charlene Sunkel, South Africa											
11:10-11:30	Coffee Break, Exhibition and E-Poster Viewing											
11:30-13:00	Special Session 1: CRPD and related legislation: consequences for psychiatry Chair: Oye Gureje, Nigeria Panelists: Charlene Sunkel, South Africa; Michaela Amering, Austria; Soumitra Pathare, India; John Allan, Australia; Neeraj Gil, Australia	Collaborative Interorganizational Symposium 02: Perinatal care: a top priority for mental health care programs. <i>Organized in collaboration with The International Association of Women's Mental Health and International Marce Society for Perinatal Mental Health</i> Chairs: Prabha S. Chandra, India and Charlotte Hanlon, Ethiopia TBA Jane Fischer, Australia Developing integrated maternal care services in primary care in Ethiopia Charlotte Hanlon, Ethiopia TBA Olayinka Omigbodun, Nigeria	Scientific Session: When do mental disorders start? Etiopathogenetic and treatment implications	Scientific Session: International perspectives in quality assurance	Scientific Session: Assessment and treatment of personality disorder: Implications for community psychiatry	State of the art symposium 02: Psychiatric genetics: around the genome and around the globe Chairs: Vishwajit Nimgaonkar, USA; Smita Deshpande, India Late breaking news in genetics of psychiatric disorders Dan Rujescu, Germany Rare heterozygous variants in functionally relevant genes and an oligogenic inheritance in schizophrenia: Evidence from family based studies B.K. Thelma, India Towards the implementation of pharmacogenetics in psychiatry Daniel Mueller, Canada Genetic explanatory models in psychotic disorders in Costa Rica and their relation to mental health policies Henrietta Raventos, Costa Rica	Scientific Session: Perinatal mental illness: implications for women, their babies, occupational setting and healthcare	WPA Books Chair: Michel Botbol, France	Free Communications Session: Mental health care provision	Scientific session: Social psychiatry and challenges of global mental health- needing a paradigm shift	Scientific Session: Neuroimaging of primary psychotic disorders	
13:00-13:10	Short Break to Change Halls											
13:10-14:40	13:20-14:40 Parallel Short Communications Sessions (in Exhibition Area) Lunch Break, Exhibition and E-Poster Viewing											
13:10-14:10		Scientific Session: Spirituality & Mental Health	Scientific Session: Mental health economics			Scientific Session: Neurobiology in Psychiatry: Curriculum Development, Research,	Scientific Session: Suicidal Behaviours - from concepts to testable features	Scientific Session: Involuntary admission laws across three continents: USA, India, Greece	Scientific Session: Vastly discussed issues in ADHD – new data	Scientific Session: Child Custody and Mothers with Mental Illness		
14:40-16:10	Presidential Symposium 3: Fighting stigma and discrimination of the mentally ill: successes and new departures Chair: Graham Thornicroft, UK	Collaborative Interorganizational Symposium 03: Psychotherapy 2019: lessons learned and new departures. <i>Organized in collaboration with The International Federation for Psychotherapy</i> Chair: Driss Moussaoui, Morocco	Scientific Session: Towards closing the mortality gap in schizophrenia	Scientific Session: Ethnic aspects of psychopharmacology	Scientific Session: Perinatal psychiatry and infant mental health Interface: Perspectives across developing countries	State of the art symposium 03: An update on child, adolescent and adult Attention Deficit/Hyperactivity Disorder Chair: Norbert Skokauskas, Norway	Scientific Session: Suicide research: The Need for integrating basic, translational, clinical and cultural	Special Lecture Session 02 Chair: Gabriel Ivbijaro, UK	As depressões resistentes (In Portuguese) The resistant depressions Chair: Carmita Abdo, Brazil	Scientific Session: Changes in workforce migration and brain drain in the last 5 years – an international comparison	Scientific Session: More than "aging out": The multiple transitions between adolescence and adulthood in mental health
